In this class, we follow my elementary school motto:  
**“RESPECTFUL, RESPONSIBLE, SAFE”**

**Respectful:** I get you out of class on time, you wait to pack up until class is over. I respond to emails within a business day, you don't get mad at me when I take longer than 20 minutes to respond. We are all courteous and kind to each other.

**Responsible:** I come to class prepared to teach, you come to class prepared to learn. I get grades back to you quickly, you turn the assignments in on time. We hold ourselves accountable to each other.

**Safe:** I keep an open line of communication, you use it to talk to me if situations get difficult. I maintain professional boundaries, you maintain your physical, mental, and emotional health. We build an environment where everyone learns without fear.
